EXPERIENCE   📅 2022 - Current

Software Developer / Faithcode Technologies

* Collaborated with cross-functional teams to gather requirements, analyze user needs, and design scalable software solutions.
* Developed and maintained Java-based web applications using Spring Framework, Hibernate, and APIs.
* Oracle Cloud Services Objective Storage, Identity And Access Management, Advance Queue Management, Genrative AI and VMs.
* Implemented front-end features using Angular TypeScript, HTML, CSS, and Bootstrap, resulting in a more responsive and user-friendly interface.
* Optimized application performance through code refactoring, caching strategies, and database query Optimization techniques, resulting in a 20% reduction in page load times.
* Conducted code reviews, identified potential issues, and provided constructive feedback to team members, resulting in improved code quality and reduced bugs.
* Utilized Git for version control, maintaining clean and organized code repositories and facilitating seamless collaboration among team members.
* Documented technical specifications, architecture designs, and development processes to facilitate knowledge sharing and onboarding of new team members.

PROJECTS

Work Experience on Ascentrik CRM

Tools And Languages :- Program using Java 8, Angular 16, TypeScript, Redis , Microservices , Database Oracle, Mysql, Bootstrap.
Project's Description - Ascentrik CRM is an MVC project designed to manage client information and records, including requests for both new and existing records. Authorized personnel can distribute leads to various field executives and track their progress via graphs. Additionally, the system verifies sales records.

Work Experience on Industry Locator AI Tool

Tools And Languages :- Program using Java 17, Angular 18, TypeScript, Database Oracle, Mysql, Bootstrap, AI Models .
Project's Description:- Industry Locator is an MVC AI tool designed to find out industry details using generative ai models.

CERTIFICATIONS

📅 2025
Oracle Cloud Infrastructure 2024 Certified Foundation Associate

📅 2022
